

Washington, D.C. 20505

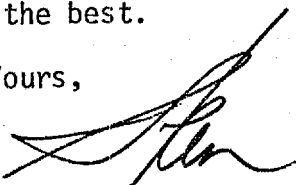

26 February 1980

Dear Wes,

25X1 Enjoyed your letter at the end of January.
I'm delighted that [] is continuing
to call on you. I have alerted others to look
for opportunities in different areas to take
advantage of your background. We certainly can
use it.

Hope to see you on your next visit down
here. In the meantime, all the best.

Yours,

STANSFIELD TURNER
